Dungeon & Town

3D Modular System

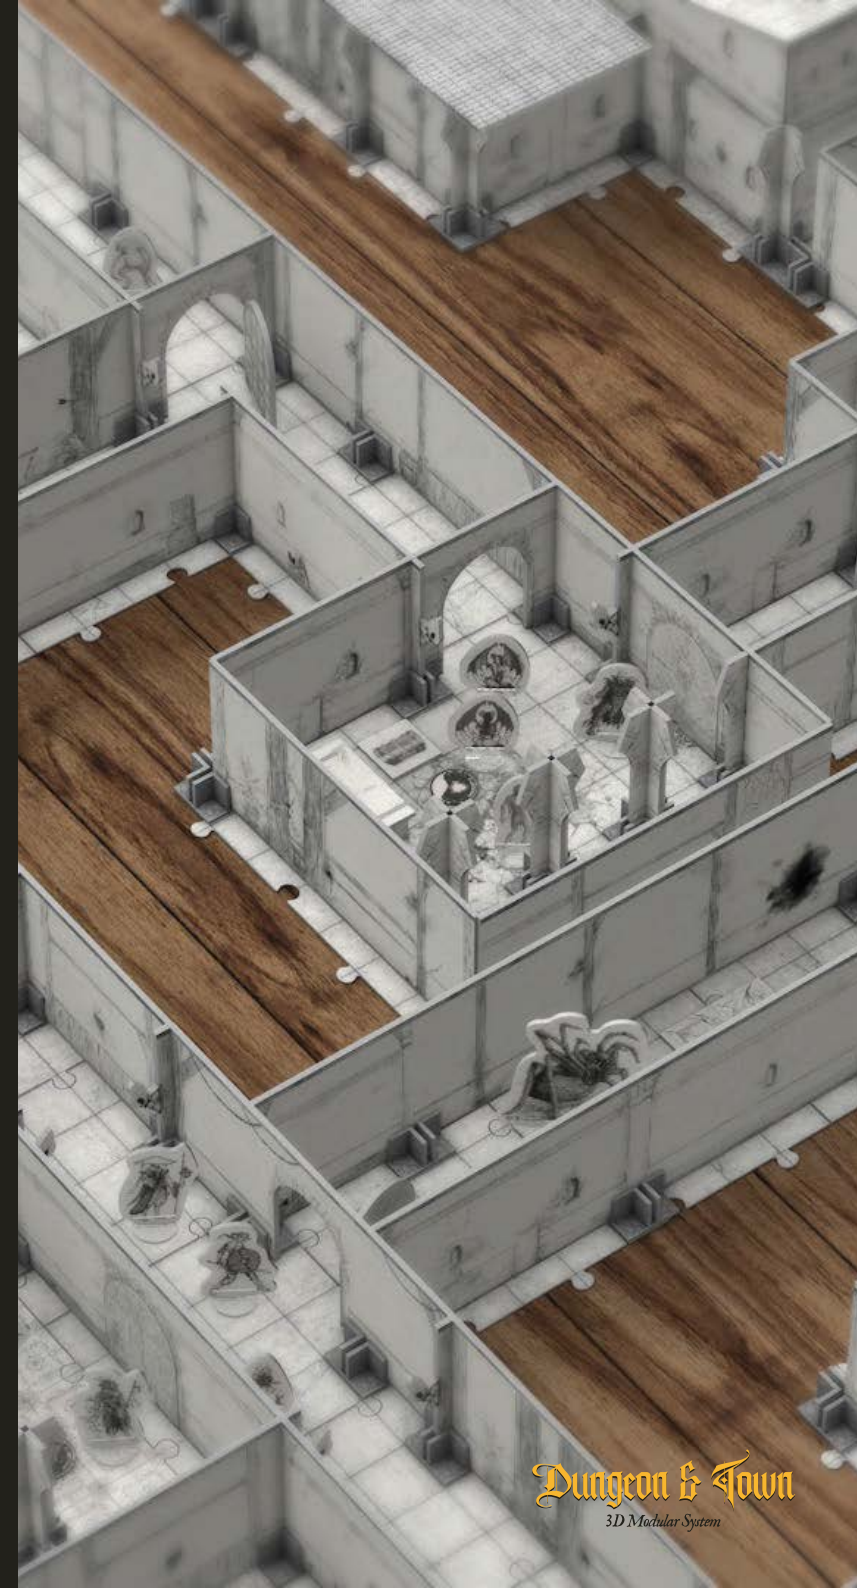

INTRO

INTRO

Dungeon & Town is the new set that implements the 3D into your adventures with hundreds of elements and an affordable price.

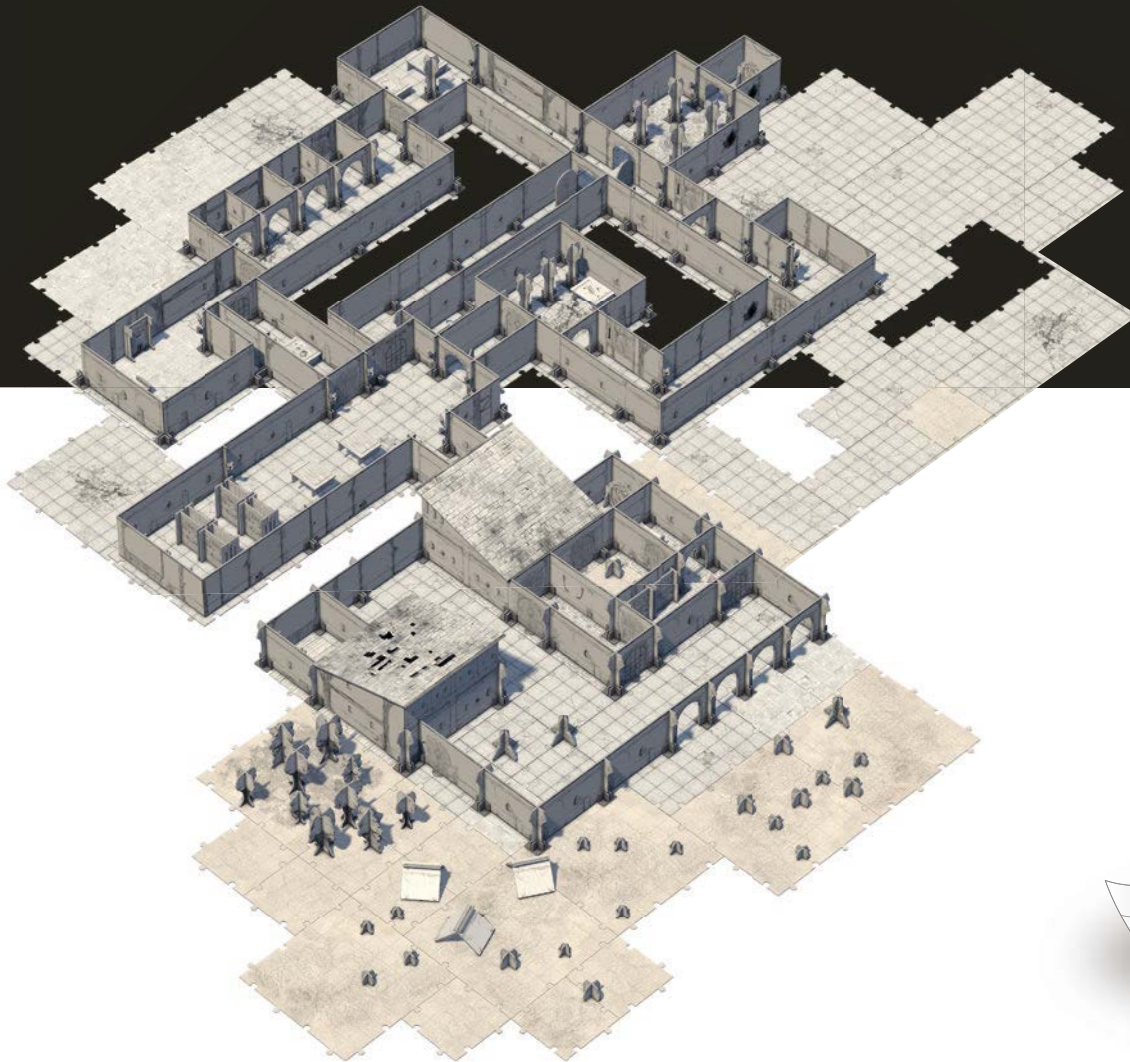

Its use is universal, reflecting the philosophy of the "World Creator" product line:

- Easy to mount and use
- Highest standard material
- Each element is rewritable
- All illustrations are hand-drawn

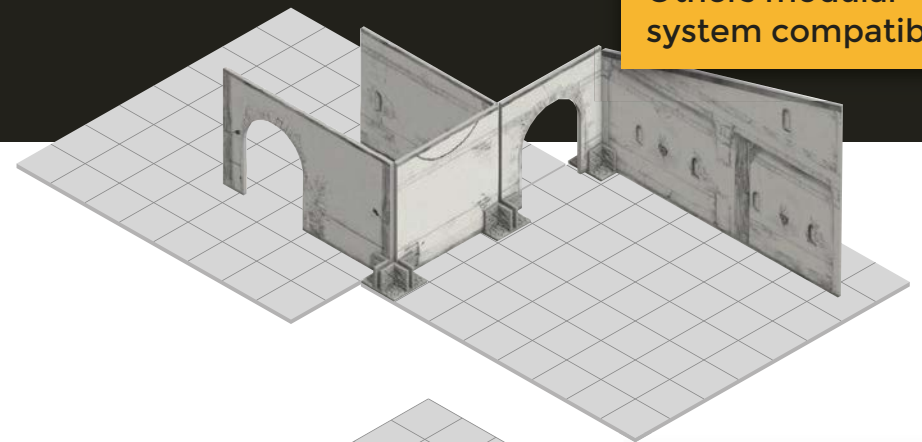

100% COMPATIBLE

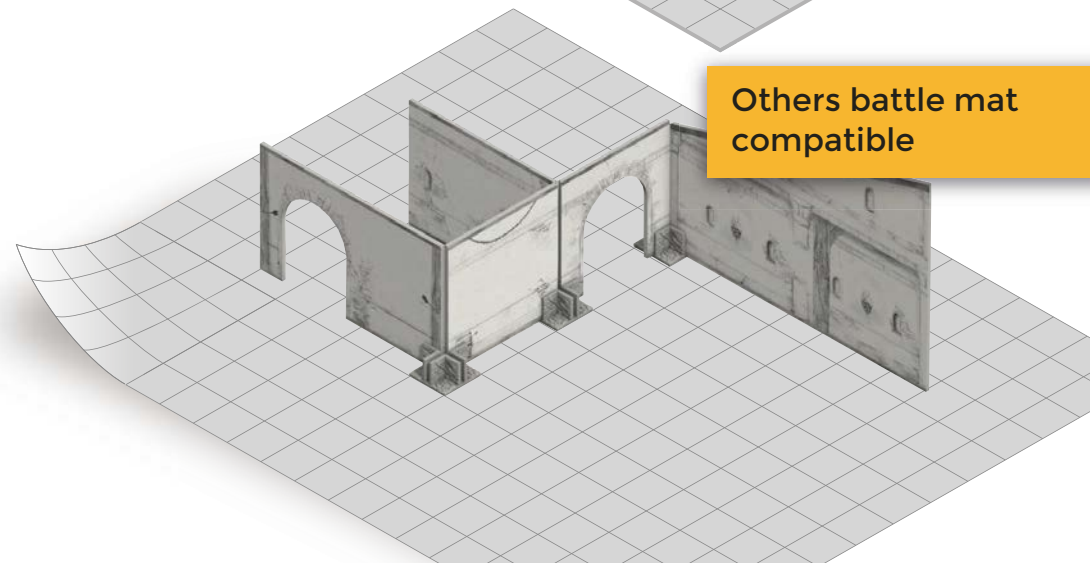

Dungeon & Town is designed to be used with the **Fantasy World Creator** system but is also compatible with **other modular systems** for role-playing games and **battle mat**.

Others modular system compatible

Others battle mat compatible
